**On display at the library in October: Hiroshima/Nagasaki Peace Exhibition**

From September 5 – October 31, Orlando Public Library features *Musings* by Beaux Arts. Beaux Arts of Central Florida is composed of 50 professional artists whose mission is to produce exceptional art in all mediums. With *Musings*, Beaux Arts' first exhibition at Orlando Public Library, visitors can view some of the group's more experimental and contemporary pieces. For more information about Beaux Arts, visit [Beauxartsofcentralflorida.org](http://Beauxartsofcentralflorida.org).

On tour from Nagasaki National Peace Memorial Hall for the Atomic Bomb Victims, this exhibition memorializes the victims of the atomic bombing of Nagasaki, including those who perished after due to injuries or illnesses. Join us at the downtown Orlando library on October 8 for *Recollections of an Atomic Bombing Survivor* for a special lecture organized by Orlando Public Library, Nagasaki National Peace Memorial Hall for the Atomic Bomb Victims and Valencia College. The exhibition will be on display October 13 – November 2.
