Updated 8/13/21

During the July meeting of the Board of Trustees, the City of Orlando and Orange County presented a concept that could help Orange County Library System begin work on both the Lake Nona and Horizon West branches. The Trustees voted to work with the city and county to pursue the concept, which will need to be approved by both the City Council and County Commission. Updated 6/11/2021

OCLS has entered into an agreement with Hamlin Retail Partners, LLC (known as Boyd Development) to place a drop box free of charge on their property in Horizon West. The drop box will be located in Hamlin Town Center on Shoreside Way. Having a drop box in Horizon West will give residents of the community a more convenient way to return library materials that they borrow from other locations or have delivered by our Books by MAYL service. The goal is to have the drop box in place by the end of summer/beginning of fall.
