Explore Oceans of Possibilities with the Summer Reading Program at Orange County Library System

Orlando, FL (June, 2022) – The Summer Reading Program has set sail at the Orange County Library System. This summer’s theme, “Oceans of Possibilities,” has a focus on oceanography with live performances, storytelling, camps, art programs and more. From June 4 through July 23, all 15 library locations in Orange County are hosting summer events and programs for all ages to enjoy.

Readers are encouraged to log 20 minutes per day with a goal of 600 minutes read for the entire summer. Track your activities and summer reading to earn virtual badges using [Beanstack](#) for a chance to win prizes. Those that log 300 minutes will receive a goodie bag, while supplies last, and those that log 600 minutes will be eligible for a prize drawing at the End of Summer Celebrations on Saturday, July 30 at Orlando Public Library, Chickasaw Branch, Winter Garden Branch, South Creek Branch and North Orange Branch.

Summer Reading is not just for kids. All library locations are also holding weekly special events for adults, featuring technology courses, creative activities, educational programs, clubs and much more.

Registration is strongly recommended for all in-person events due to limited capacity. Visit ocls.info/srp to view a complete listing of both in-person and virtual Summer Reading Program events and to register. If you have any questions call 407-835-7323.

LEARN. GROW. CONNECT.
